

It's Possible

By Dr. Cynthia Addae

You can achieve your dreams,
Do anything you want to do.
Though life gets hard, and seems
Impossible, just know it's true...

It's possible.

You CAN achieve your dreams!
Put in the work, unleash your gift!
Your inner self is gold! It gleams
Just polish it, your heart will lift!

It's possible.

You can achieve your dreams!
So, rise above, and find your bliss.
You've got the gifts, you've got the dreams,
Put in the work, and believe this —

It's possible!
